Designer Program

Welcome Designers!

We have an excellent Designer Program! Please contact us to discuss which of our product lines apply to your designs. We will send you complimentary products for your designs. In return, we ask that you list us as a source and send us a copy of the published design that uses our hand dyed products. We will post, on our website, a list of Designers and their designs that use our products.

We ask that you provide us a copy of your resale certificate/license.

We allow Designers to purchase at a discounted rate, a full ring set of all colors available in a particular line. If you choose to kit your designs, you may purchase our products at wholesale cost. We have pricing options for bulk yardage (cut or coned). Please call or email for our pricing sheet.
