Needlework. Thanks to Katrina for planning this Shop Hop & Bus Tour. She said her theme was "treats" ... we asked ourselves – "Who would want treats?" ... & the design went from there! Have a great time on your Bus Tour – hope you get lots of treats! Have fun finishing this

as a pinkeep, ornament, cute weighted box or wedge!

We stitched Hoo Wants Treats? on Weeks Dye Works 30ct Pumkin linen – any great orange will work! Our model was stitched with Weeks Dye Works 2-strand hand-dyed floss. Of course you can use regular Weeks Dye Works floss – but you gotta try this 2-strand sometime! Use it just as it comes off the spool – you don't even need to ply it!
